

ABOUT US

Smack Happy Design is made up of a talented, unique group of individuals who have over 19 years of experience designing, coding, and marketing websites. Staying atop of the ever-changing digital world, respecting our clients' business goals, and delivering high-end design and marketing solutions are just a few of the ways we continue to forge long-lasting partnerships with each and every one of our clients.

We make websites easy to use, for individual brands and businesses of all shapes and sizes.

HAPPY CLIENTS

★ Nicole is amazing! She took my ideas to the next level and I love them. I get tons of compliments on my business cards and my website. And she was an absolute joy to work with.

Christina Ness — Thrive Acupuncture

★ Nicole has been a true pleasure to work with. In short time she fixed us up with a top notch layout, some great features, SEO management, and set it up in a way that allows us make changes easily. I look forward to the next time we need web services as I know it will be done quickly and correctly.

What Our CLIENTS SAY

WHAT SETS US APART?

"Brady has a real passion for what he does in the tech world. He is on time, quick to respond, and very knowledgeable on both Macs and PCs. He also made strong recommendations on what we could do to make our business environment thrive. Brady is at the top of my 'tech guys list' to call on. Keep up the great work!!"

PETER B.
Small Business Owner

"For someone who is not a sophisticated tech user, Brady's extensive knowledge base is invaluable as he shares information and answers every question in comprehensive detail. Thrilled to have found him and consider him my go to for all of my IT problems."

What I Do WHATEVER IT TAKES

I tailor my approach to each situation. I listen carefully to find the best path to success. I come well prepared for the case at hand. When necessary, I follow up relentlessly. I engage with the parties, as well as with counsel, to discover any hidden issues fueling the dispute. I am optimistic and keep a positive attitude. I work hard before, during and after the mediation to obtain the best results.
